

Supported Employment – Employment Matters

Bradford Council in partnership with United Response is a local supported employment scheme for Bradford residents who are Autistic or have a Learning Disability and need support into employment.

The support we offer:

Over 10 months support from a United Response job coach

Helping people to find paid employment in a role that matches their skills and interests

Training to build basic skills that employer's value

Travel training

Job searching tips and support to apply for Jobs

Support to write a CV and help to prepare for interviews

Job coaching and support at work to help learn the role

Opportunities to meet local employers that offer work experience, taster shifts or working interviews

Working in partnership with local employers to reduce barriers, be a more inclusive and diverse business. Working together with partner organisations to make Bradford District a more neurodiverse friendly place where everyone can thrive in their communities.
