

# Yorkshire and Humber and the North East themed local area briefings

The Skills for Care Yorkshire and Humber and the North East team is running a series of virtual events to support the adult social care workforce to lead, deliver and grow. The events are aimed at registered managers, deputy managers and those with a responsibility for learning and development working for an adult social care provider.

You can book your place at any of these virtual sessions [here](#)

## **Making the most your Adult Social Care Workforce Data Set (ASC-WDS) account and access funding for training**

**Tuesday 9 November 2021, 10:00 – 11:30**

ASC-WDS is the leading source of intelligence for the adult social care workforce. It provides crucial information to key decision-makers across the sector and helps providers to manage their teams. Come along to learn more about how to set up, use and benefit from an ASC-WDS account and how to access Workforce Development Funding for staff training.

## **Recruitment and retention**

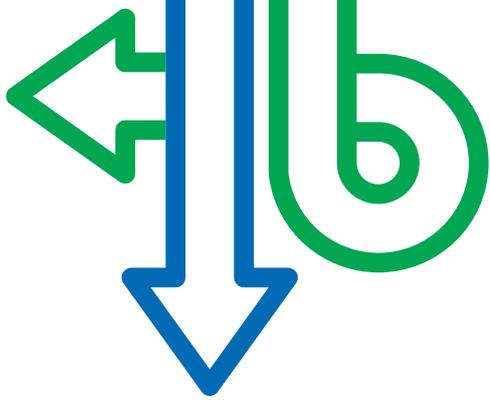

**Tuesday 11 January 2022, 10:00 – 11:30**

Recruiting new workers can be challenging at any time, but the impact of the COVID-19 pandemic has made this challenge even greater. From our research and work with employers across the sector we know what has worked well for others. In this session we will outline the support available to help you find and keep the right people.

## **Developments of digital in social care**

**Tuesday 25 January 2022, 10:00 – 11:30**

Adult social care services are increasingly using different forms of digital technology to support the delivery of services. This session will share the resources that Skills for Care has to support you with the use of digital. We'll update you on the latest consultations which look at the levels of digital literacy in adult social care and share examples of how digital supports service delivery.

## Support for registered managers and nominated individuals

**Thursday 17 February 10:00 – 11:30**

The role of the registered manager and nominated individual is becoming increasingly challenging. This session will explore the development opportunities and support available to you such as continuing professional development programmes, registered manager networks and our membership programme. You will also hear about Skills for Care's endorsed learning providers.

## Preparing for and improving your CQC inspection

**Tuesday 8 March 2022, 10:00 start – 11:30**

If you want to deliver 'good' and 'outstanding' care and meet Care Quality Commission (CQC) standards, your service needs to have safe and competent staff, including leaders and managers. The CQC has adapted how it monitors and inspects during the pandemic. Come along to this session to see how Skills for Care can support you with your next CQC inspection and hear about our latest resources.
