LFT KITS FOR HOME SUPPORT

We have a small supply of lateral flow test kits available for Home Support services. Due to the limited number available these are intended for emergency use only. The kits will be delivered to your service.

If you require lateral flow test kits please contact the Covid-19 Support Team.

REMINDER TO UPDATE SUS / CAPACITY TRACKER

Firstly, we would like to thank you for regularly updating the Capacity Tracker / SUS but also remind you of the importance of continuing to do so at this point in time. With rising cases of Covid-19 it helps us to support you as effectively as possible.

SUPER ROTA

We are seeing significant increases in the number of people with Covid across the Care Home sector and therefore want to send a reminder out about the Super Rota role and operating hours etc. Anyone living in a Care Home who tests positive for Covid on a Lateral Flow Test will be eligible for support from the Super Rota. For more information about the Super Rota please read this [supporting document](#).

SUPPORTING THE SECTOR IN JANUARY

The Covid-19 Support Team will be here for you over the next month should you have any urgent emergencies/situations. We will have staff monitoring the team inbox (covid19supportteam@bradford.gov.uk) and the local Service Update System over the weekend. If you find yourself in a situation where you have any urgent concerns/queries/situations that need our support, please email the team.

Please see the newly created [Urgent Contingency Support](#) content page, with useful information, links and contact details for services that can offer additional help.

WALK-IN PCR APPOINTMENTS AT MASSTESTING SITES IN BRADFORD

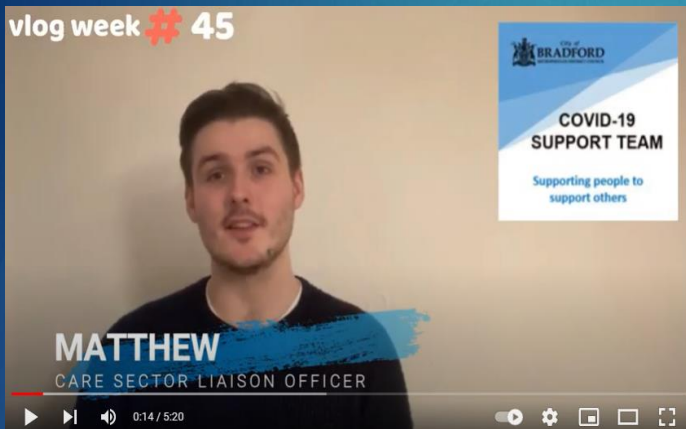

As social care staff you are able to access walk-in PCR testing appointments at the following sites:

Centenary Square, Bradford
Victoria Hall, Keighley

You can access these sites from 8am to 6pm, but if you're going later in the day or nearer closing time, please ensure at least 30 minutes to allow for processing and registering your test before you leave.

Please ensure to take your staff ID, as even at busy times, this will mean you are given priority and an appointment will be made available to you. It does not mean you will be fast tracked, but they will ensure you are able to access a test whilst you are there.

For further support on testing, please see: <https://bradford.connecttosupport.org/provider-zone/social-care-testing-support/>

COVID-19 SUPPORT TEAM WEEKLY VLOG
