

Survey - Proxy Ordering

The Proxy Ordering survey will be available for one week after which it will then disappear from view. This should be **completed only by all Care Homes** and is accessible via the Care Home Providers setup/details tile.

Accessing via this way will present you with the screen below.

Care Home	Services	Costs, Vacancies and Business Continuity	ASC / Infection Control	Contracts	Surveys	Care Quality
Cranberry Care Home (OX3 2RX) <small>Edit</small>	Services offered	Costs, Vacancies and Business Continuity	ASC	Contracts	Proxy Ordering Syringe Pumps	Care Quality

From the Surveys column, simply click on ‘Proxy Ordering’ icon and the following set of survey questions will be presented

Proxy Ordering survey for [redacted]

[Provider details](#) | [Edit services](#) | [Costs, Vacancies & Business Continuity](#) | [Adult social care fund](#) | [Edit contracts](#) | [Surveys](#) | [Care quality](#)

1 Have you been set up to order medication by proxy for residents? *

2 Have you been set up to access any additional information in the GP record such as test results or discharge information for residents? *

3 Where the answer is No to the above, would you like support in setting this up?

If you have any queries relating to the Proxy Ordering questions please contact

digitalprimarycareengland@nhsx.nhs.uk

Once all three questions are completed please remember to save your response via the green button at the end of the survey.
