

KEEP CALM AND SING-ALONG

"Classic Susie" has brought together a group of local artists to create a pre-recorded virtual performance for care homes across Bradford to bring the magic of the musicals from our home to theirs! We wanted to bring a little joy during this time when performers are not allowed into care homes to provide any entertainment. The link to the 20 minute performance, which includes a collection of songs from musicals from the 40s and 50s, will be available to view on Youtube on the Bradford Council Youtube page.

To make it fully accessible, if any care homes do not have internet we are able to create and deliver a DVD within Bradford for a fee of £2.50.

The videos have now been put up on the Bradford Council Youtube page. There is one with lyrics and one without:

- With sing-along lyrics https://youtu.be/zD4ZD_f_swY
