across Bradford District

Are you a veteran in need of some support, or do you know someone who is?

We are here for you. Isolation and loneliness has increased during the Coronavirus pandemic, due to shielding from the virus or living within lockdown conditions and we are here to support you.

We can help you to have access to the things you need, provide information on issues important to you and help you feel more connected during these challenging times.

Simply call us on 01274 391 190, text us on 07471 227 907 or email us at info@ageukbd.org.uk if you need some advice or support.

Please mention in your call or email that you are a veteran and we will do all that we can to provide you with the help that you need.

We can help with things like:

- Shopping deliveries
- Giving you a friendly phone call
- Providing advice on benefits
- Newspapers and books deliveries
- Getting you urgent supplies
- Posting mail
- Making connections with other veterans
- Loan of IT equipment
- Helping to arrange household repairs

We are here to support veterans in Bradford District however possible during the current crisis, so don't hesitate in letting us know what support you need.
