

Break the Chain of Infection

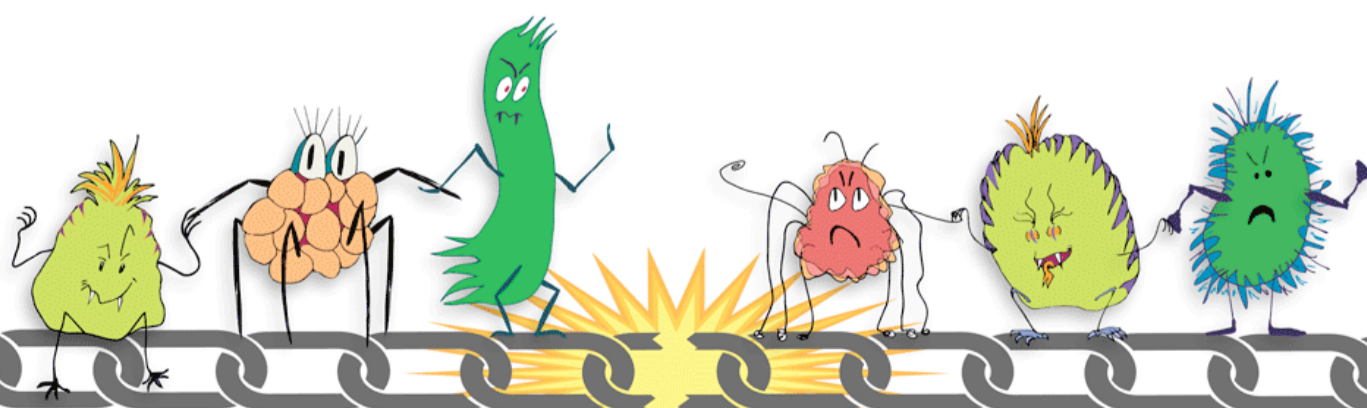

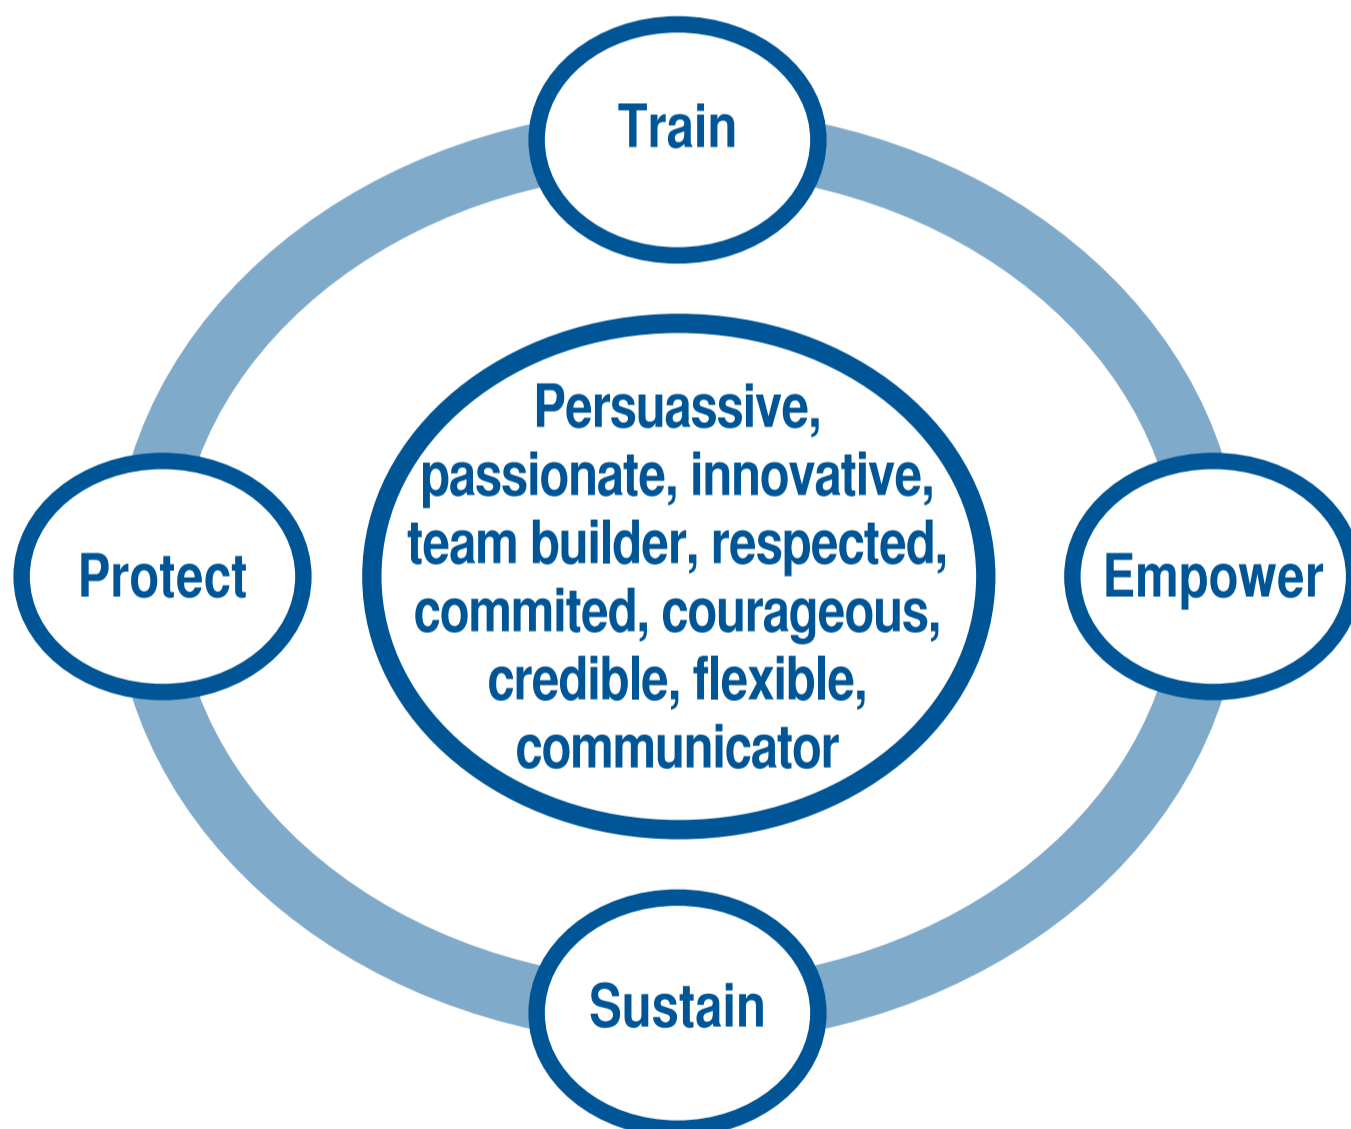

International Infection Prevention Week

October 14 – 22

This year IIPW is October 14 -22, IIPW 2020, will highlight the importance of infection prevention and the role Infection Prevention Link Champions can play to promote health and prevent infection.

Do you feel passionate about clean, safe care, could you be that person within your team “their Infection Prevention Link Champion”, the one who is able to promote good practice and feels comfortable educating others to “Break the Chain of Infection”?

Please get in touch and a member of the team will offer you their expert guidance and support in this exciting new role InfectionPreventionBMDC@bradford.gov.uk
