

Thank you for your support with completing this survey. You are helping to make future services more inclusive.

All responses will be anonymous. This means your name will not be shown.

You do not need to answer any questions you aren't comfortable with.

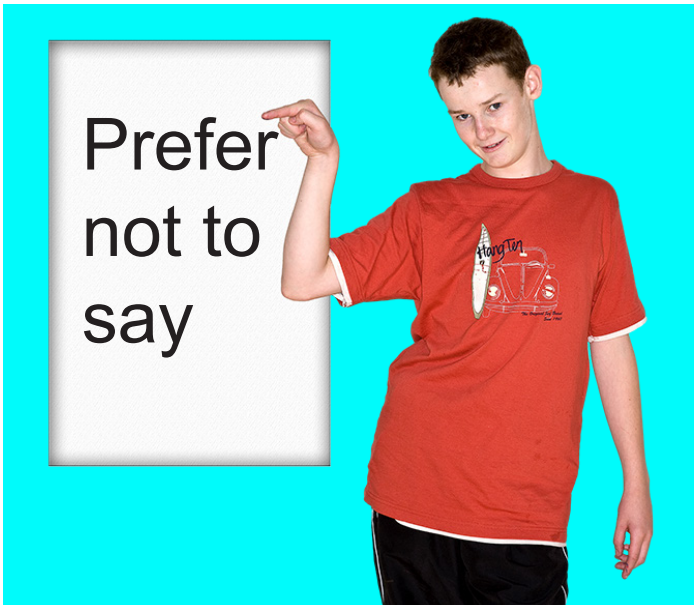

Some of the questions you will be asked are about sensitive information.

This is classed as "Special Category" data under data protection laws. We will protect your information in line with the law and use it carefully.

If you would like to know more about why we are asking these questions, you can look at our information sheet at the following link [www.bradford.gov.uk/media/k4mmb0mb/equalities-survey-additional-info.pdf](http://www.bradford.gov.uk/media/k4mmb0mb/equalities-survey-additional-info.pdf)

Some of these questions ask for information that some people may find upsetting, for example on pregnancy and being in care.

You can select 'prefer not to say' or just leave questions blank if you want to.
