PROVIDER BULLETIN

THURSDAY 18 JUNE 2020

WEEKEND AVAILABILITY

As you are aware over the last few months Commissioning Team staff have worked during the weekend to support colleagues within the external care sector. Given we have all worked together to develop new systems and amended processes, we have seen a significant reduction in the need to be available at the weekend. We have therefore reviewed weekend staffing arrangements and agreed that from this weekend we will reduce our availability to between 10 and 12 Noon on both Saturday and Sunday.

We will further review this again after this weekend.
