INFECTION PREVENTION

Please see the most up to date version of the Bradford Infection Prevention and Control guidance for COVID-19. The latest update included advice on swabbing which was released on 31st May. (see p.30).

This includes the latest thinking on repeat testing and on staff and residents who continue to test positive post infection.

Infection Prevention Team

There is a new member of the team who started working with us today. She is called Jacqui Elliott and is an experienced infection prevention nurse who has previously worked in community infection prevention can control in Kirklees. She has also worked at Bradford Teaching Hospitals.

The team now comprises:

Name	Email	Telephone	Mobile
Michael Horsley	Michael.horsley@bradford.gov.uk	01274 433533	07582102117
Darren Fletcher	Darren.fletcher@bradford.gov.uk	01274 435133	07582102163
Cheryl Tonks	Cheryl.tonks@bradford.gov.uk	01274 437412	07971330751
Jacqui Elliott	Jacqueline.elliott@bradford.gov.uk	01274 438865	07813394841
