

REMINDER - REGISTERED MANAGER NETWORK MEETING AND Q&A CARE HOME SWABBING PATHWAY

Dear Manager,

We recognise more than ever the challenges Registered Managers are experiencing on a day to day basis and while we can not all meet in person to support one another, we can through the wonders of technology meet virtually.

We have scheduled a **Registered Managers Network Meeting** for **Thursday 4th June, 2pm** via Zoom (see information below).

We have included within the agenda:

Q&A Session- COVID-19 System Roles and Responsibilities Care Home Swabbing Pathway

Providers have expressed that there is still some confusion and potential gaps within the pathway. Therefore we would like to take opportunity to review and discuss the pathway with managers. Representatives from the CCG, LA, Primary care and Discharge team will be available to answer any questions or queries. It would be useful if any questions could be sent through in advance via commissioning inbox.

We hope you are able to join us as it is an opportunity to link with others so we can learn from each other's experiences, share good practice and importantly contribute to shaping how the sector collectively responds to our new normal. The invitation is open to all Registered Managers and senior management teams of care homes and home support in Bradford & Craven.
