HOPE AND LIGHT CULTURALLY RESPONSIVE MENTAL HEALTH SERVICES: GUIDE FOR PROFESSIONALS

Hope and Light is a programme dedicated to providing culturally responsive mental health services for Black African, Black Caribbean, Central and Eastern European, and South Asian people, developed in collaboration with the community. The programme focuses on those with a serious mental illness, whether diagnosed or not. We have developed a 'Professional's Handbook' all about Hope and Light, providing a whistle-stop tour of the programme, aimed at helping professionals in the healthcare and VCSE sectors learn all about us. Please [**download the handbook**](#) and share with anyone who you think would benefit from learning about our service.

LLOYDS BANK FOUNDATION: RACE EQUITY PROGRAMME GRANTS

The Racial Equity Programme will be providing 42 unrestricted grants, nationally, of £75,000 over three years (£25,000 per year). The funding comes with tailored development support to registered charities and community interest companies which are led by and working with people who are experiencing economic inequity because of their race or ethnicity. COMMUNITY CARE CHARGING CONSULTATION

Community Care Services support adults and their carers with care needs to stay safe and independent, which can include day care, personal care, supported living, help at home, respite care, access to community support and direct payments. We are consulting on these services and want to find out what matters the most to you about these services. We are holding three more online events to hear your views, if you are unable to join you can still take part by completing the online questionnaire.
