

# Have you seen the Care Home Winter Pack?

Bradford District and Craven  
Health and Care Partnership

Take a look and familiarise yourself with the services available to support your residents over Winter and how TMS can help you refer into them

## Think.... Telemedicine

24/7 clinically led service offering support and guidance

Direct referrals into the **Urgent Community Response Service** or **Virtual Ward** if required

## Care Home Liaison Team

- Advice and signposting
- Support with behaviours which challenge
- Mental health support

## Pro-active Care

- Up-to-date immunisations
- Resident's contact details are up to date
- Ensure long term condition checks and medication reviews have taken place in the last 12 months
- Ensure all residents have ReSPECT plans in place

## Supporting Hospital Discharge

Ensure transfers between hospital and your care home are smooth and timely

## Deterioration

- Recognition
- Response
- Communicate

## Recognition of Life Extinct

The TMS can support you to virtually undertake RoLE or refer onto a qualified clinician to undertake in person

**RoLE**
