## **Bevan Family Hub opens in the heart of Bradford**

A new family hub has opened in Bradford city centre, offering support for families living in the city and further afield.

Bevan Family Hub is part of the district's Family Hubs network, which help families with children at every stage of family life.

With pram-friendly access, and sessions including read and rhyme and baby weighing, the hub will focus on support for families during pregnancy and with babies and young children.

The hub has been developed in a partnership between Bradford Council, Bradford Children and Families Trust, and Bevan Community Benefit Society. It is located at Bevan House GP Practice, in the centre of Bradford. For family hub sessions, people can use the hub's entrance on Dale Street.

Full details including the timetable can be found here: [Bradford West Family Hub](#)

## **Into Employment Opportunities**

Into Employment supports young adults aged 16-25 with a disability to gain the right skills on their journey to employment.

Students will work towards a Level 1 qualification in Preparing for Employment or Further Education, as well as attending work placements which match the students interests and dreams for their future.

The learning approach will be fun, practical and focused on the skills and behaviours needed to become work ready as well as improving self-awareness and confidence. Support will also be provided for preparing for interviews, applying for jobs and work-related communication skills.

For more information email: [employment.matters@bradford.gov.uk](mailto:employment.matters@bradford.gov.uk)

## **Grant Opportunity**

As part of the ongoing Community Health Improvement Project (CHIP), Public Health would like to announce the launch of 2 grant opportunities for organisations to apply for. Both grant opportunities open on January 28<sup>th</sup>, 2026, and Public Health will be hosting a webinar for any clarifications on Wednesday February 4<sup>th</sup> 1pm - 2pm. Please could you share widely across your contacts.

### Opportunity 1. Black African and Caribbean Health Improvement Grants

The Living Well Black African and Caribbean health improvement grant scheme is funded by Bradford Council Public Health and aims to award a variety of organisations passionate about reducing health inequalities for the Black African and Caribbean communities in Bradford.

### Opportunity 2. Community Health Development Grants

Living Well Community Health Development (CHD) Grants Scheme is funded by Bradford Council Public Health and aims to award up to 10 small groups / organisations who are passionate about reducing health inequalities, promoting health and wellbeing and representing the voice of defined community of interest groups across the Bradford District.

To either receive grant guidance, the application or an invitation to the webinar, please contact [PublicHealthCommissioning@bradford.gov.uk](mailto:PublicHealthCommissioning@bradford.gov.uk).

# Capacity Tracker

*Insight for Care*

## Latest Guidance and Tips

Please find below this month's summary of Capacity Tracker updates, along with an overview of key initiatives currently relevant to providers.

### **Capacity Tracker Data – CQC Refresh**

A CQC refresh took place on Thursday 22<sup>nd</sup> January 2026. Providers expecting changes to be applied by the CQC (assessment ratings, services or regulated activity) should review their account following the update. If any anomalies are found, such as incorrect or missing new/transferred locations, please reach out directly to CQC for assistance.

## **INDWELLING URINARY CATHETER SURVEY**

The Local Authority Infection Prevention Team in conjunction with colleagues at Airedale hospital, Bradford Teaching Hospitals and Bradford District Care trust are undertaking a project to reduce E Coli bloodstream infections in the Bradford and Craven area.

Our area has the highest rates of E coli infections locally , many of which originate in the community. The project will explore some of the causes of E coli infections and look at strategies to reduce these infections.

It is recognised that one major risk factor is having an indwelling urinary catheter therefore we have agreed to start by looking at urinary catheter usage and management in residential care settings. As a starting point we are asking care home managers to complete the attached questionnaire which will help us to understand current practice in relation to urinary catheters

# GAMBLING RELATED HARMS TRAINING

**FREE FUNDED TRAINING**

**2 HOUR ONLINE SESSION**

For everyone affected by gambling

*City of*  
**BRADFORD**  
METROPOLITAN DISTRICT COUNCIL

## WHY IS THIS IMPORTANT

Millions are affected by gambling related harms either directly or indirectly across the UK. There are many people who would benefit from gambling treatment or support that are currently not accessing it or even aware that support is available. Sadly, hundreds of people take their lives annually as harms are largely identified too late or not at all leaving people affected feeling isolated, alone and that they are to blame.

The course is designed to equip frontline professionals with the knowledge, confidence, skills and ongoing resources to prevent gambling-related harms and support those affected.

This training is ideal for those who may come into contact with people experiencing gambling harms such as:

Frontline professionals

Support workers

Advice services

Healthcare Professionals

Community organisations

Recovery support workers

## BEGIN THE CONVERSATION: FRONTLINE PROFESSIONALS

This course is designed for frontline professionals working with those who may experience gambling harms and covers:

- What are gambling related harms
- The causes and effects
- Brief Interventions
- Having the Conversation
- Referring to support

Course delegates, post training, have reported:

**98% confidence rate in being able to support someone**

**96% confidence rate in understanding the effects of gambling harm**

**95% confidence rate in providing a brief intervention**

Well structured training, really powerful real-life stories and videos – the difference between knowing something and feeling something.

## IMPORTANT - UKVI Sponsor Assurance Team Conducting Compliance Checks on Sponsor Licence Holders in the Care Sector

Aston Brooke Solicitors is advising care providers that the **UK Visas and Immigration (UKVI) Sponsor Assurance Team** is currently contacting organisations that hold a **Skilled Worker sponsor licence** to request information and documentation as part of ongoing compliance activity.

These checks are being undertaken to assess whether sponsors are meeting their duties under the **Skilled Worker sponsor licence regime**, including (but not limited to):

- the proper use of Certificates of Sponsorship;
- compliance with sponsor guidance and record-keeping obligations; and
- adherence to UK immigration and employment law requirements.

### Potential Implications for Sponsors

Where UKVI identifies concerns or evidence of non-compliance, it may take **serious enforcement action**, including:

- suspension of the sponsor licence; and/or
- revocation of the sponsor licence.

Such action can have significant consequences for both sponsored workers and the sponsoring organisation, including disruption to operations and workforce stability.

Sponsors are therefore strongly advised to treat any correspondence from the UKVI Sponsor Assurance Team as a matter of priority and to ensure that responses are accurate, consistent, and submitted within the specified timeframe.

### Legal Support for Sponsor Licence Holders

Aston Brooke Solicitors has over **27 years' experience** advising sponsors and care providers on UK immigration law and sponsor licence compliance. The firm regularly assists organisations with:

- preparing and reviewing responses to UKVI compliance requests;
- conducting internal sponsor licence compliance audits;
- addressing alleged breaches of sponsor duties; and
- advising where a sponsor licence is at risk of suspension or revocation.

Early access to specialist legal advice can play a critical role in protecting a sponsor licence and mitigating regulatory and operational risk.

Care providers who have received correspondence from the UKVI Sponsor Assurance Team, or who wish to ensure their organisation is fully compliant, are encouraged to seek professional advice from Aston Brooke Solicitors promptly.
