

Care Review 24/25

The BCA have asked ARCC who previously conducted the Bradford Fair Cost of Care to support us with the care review 24/25 for the Bradford Care Sector. The detailed report will outline care fee recommendations and considerations for 24/25 based on provider feedback, insights, and market data. To ensure the review and report feeds into the councils 24/25 budget timetable it will be completed in a short time frame over the next 4-6 weeks.

Outline below is a high-level overview of the review, and we request providers participate in the workshops, surveys and call for evidence in the coming weeks.

The review will include:

Care Homes

- Desktop review of nationally available/recognised inflation rates and assumptions.
- Provider Virtual Workshop- **Wednesday 25th October 2-3.30pm** ([Click here to join MS Teams Workshop](#))

Homecare

- Review existing cost model against nationally available/recognised inflation rates and assumptions and new commissioning approach.
- Provider Virtual Workshop- **Wednesday 25th October 3.30-5pm** ([Click here to join MS Teams Workshop](#))

Extra Care

- Use of home support costing model as a basis for unit cost for this market, with appropriate revisions and variances from homecare model and % inflationary pressures.

Supported Living

- Review of nationally available/recognised inflation rates and assumptions.

Specialist Care Homes

- Contribute to the review and implementation of Care Cubed costing model.
- Review of nationally available/recognised inflation rates and assumptions.

All Sectors

- Care Provider Market Sustainability BCA survey

If you would like any further information, please do not hesitate to contact the BCA.

We thank you in advance for your participation and support.
