TARGETED LEARNING EVENT
SAVE THE DATE
17 September 2020

1pm to 3pm

Are you a Care Home Manager or an Infection Prevention and Control Link Champion?

This learning event is designed for you. It offers an opportunity for reflection about the challenges that you have faced during the COVID19 period, it will explore how we can introduce possibility thinking to overcome those challenges.

Please keep a look out in the **Provider Bulletin** in the coming weeks for further connection details.
