COMMISSIONING INBOX

As reported in Tuesday bulleting the Commissioning Inbox will no longer be on a weekend. Should you require urgent support, please see the contacts below.

- Urgent and non-planned clinical issues – please access Telemedicine/ Immedicare/Digital Care hub
- For routine and planned clinical issues you can still access your GP.
- Infection Prevention Team – Please see the following page for the details of support over the weekend.
- For testing at the point of outbreak contact the local HP Team 0113 3860300 or out of office hours on 0114 304 9843.
- PPE – In an emergency we would ask you to support neighbouring providers in mutual aid over the weekend, any other query will be allocated to an officer on Monday morning
- The Emergency Duty Team provide an out of hours Social Care emergency assessment and crisis intervention service in all situations where an issue occurs outside of usual office hours that cannot wait until the next working day. 01274 431010

END OF LIFE SUPPORT

Care Homes and Home Support providers will be contacted over the coming weeks to determine if you require any support or resources specifically relating to end of life care. We will be offering six weekly telephone calls or more frequently if required.

Contacts:

- Christine Hawksworth: 07738985382
- Bobbie Wilkin: 07738 9845470
- Liz Del Core: 07516169269

CARE HOME - REACT TO RED TRAINING

Free of charge training, supported by the Tissue Viability Service. There will be 4 sessions available per day Monday – Friday.

See the [Provider Zone](#) for more information.

ADMISSION AND CARE OF RESIDENTS IN A CARE HOME DURING COVID 19.

This document has been updated (19 June 2020) in line with the care homes support package announced on 15 May together with the latest advice on testing, and infection prevention and control. The changes are set out in full with the document.
