Tuesday 14 July 2020

UPDATE FROM JANE WOOD

Assistant Director

Updates include testing, IPC and NHS tracking. For more details, see the [Provider Zone](#).

IPC FUNDING FOR HOME SUPPORT SERVICES

The Bradford Care Association have drawn up an IPC funding list that Home Support/Supported Living Providers may find useful. This is not a Council document and therefore providers should exercise their discretion in the use of the list, which is an interpretation of the broader guidance.

The list is available via the [Provider Zone](#).

NHSMail SUPPORT WEBINAR UPDATE

A decision has been taken to reduce the number of NHSmal support webinars to once a week as of next week. The webinars will now run every Tuesday 2pm – 3pm.

These live webinars are aimed specifically at providers and cover the registration and set up of NHSmal, including a brief overview of Teams. Those attending will have the opportunity to ask questions during the session and we are really keen to continue to offer this training resource, as we are aware that many providers benefit from additional support.

See the [Provider Zone](#) for more details.

**HOME SUPPORT
PROVIDER FORUM**
THIS THURSDAY 16 JULY 2020
10.00-12.00

Find details on how to join in the [Provider Zone](#).

**PROVIDER ZOOM
MEETING**
every Tuesday 10.30am-
11:30am,

See the [Provider Zone](#) for more details. Also included are minutes from the meeting held on 7 July 2020.

NEW GRIEF AND LOSS SERVICE

See the [Provider Zone](#) for more information about a new grief and loss support service across West Yorkshire for children and adults.

Included are posters in English and Punjabi, there are more posters downloadable in other languages from their website (click [HERE](#)).

The service is open to people in West Yorkshire and Harrogate, the service will be the first point of contact for anyone suffering any form of grief and loss, or those worried about losing someone, whether this relates to a family member, friend or member of their community. It is also available to those feeling impacted by the deaths of public figures and/or the volume of deaths across the country. A loss may not have been directly caused by the virus, for example, someone may have been unable to visit a loved one during an illness or see them in their final days.
