EXTRA CARE AND SUPPORTED LIVING COVID-19 TESTING ARRANGEMENTS

Next steps for settings:

In order to apply, you will need the following information ready:

- Your unique organisation number

- Total number of residents, including number of residents with coronavirus symptoms

- Total number of staff, including agency staff

- Contact details of the main point of contact for testing at the organisation

- Please go to: https://request-testing.test-for-coronavirus.service.gov.uk/ and register for test kits

- Await confirmation email

We would like to invite Local Authorities and providers to our regular Extra Care and Supported Living testing webinars.

The webinars will last 1 hour and give detailed information about all aspects of testing and will include a live Q&A.

If the providers have any further questions, we ask that they call 119. After providers have selected their country, language preference, and heard how we use their data, should select option 1 "calling about a test" and then option 3 "calling from a care facility" to talk to a member of our specialist team. *Note that this option path is subject to change over the coming weeks.*
