

Prevention Training

Face to face training offered to all care homes in the Bradford, Airedale, Wharfedale & Craven district.

Would your care home staff benefit from pressure ulcer training?

Do you have new starters joining your team?

If yes to any of these questions, then please do not hesitate to get in touch via the email below.

The training covers:

- What a pressure ulcer is and how it develops
 - Risks and causes
 - Categorising pressure ulcers
- Prevention and management strategies
 - Correct use of equipment
 - Documentation and responsibility

All training offered/delivered to care homes and agencies is shared with the CBMDC Commissioning Team
