

PROVIDER BULLETIN

IMPORTANT SERVICE CHANGES FOR CARE HOMES

After the 8th of April residents who test positive for Covid-19 living in a Care Home will no longer receive proactive support from the Super Rota.

What do I do now if I have a resident with Covid-19?

Please follow the latest national guidance in relation to informing relevant agencies, testing regimes, visiting arrangements and isolation procedures. Find some more information below to help support residents with covid-19.
