FLU VACCINATIONS

The flu virus kills almost 11,000 people and hospitalises tens of thousands more in England in an average year. It's more important than ever to get your flu jab this year. A spreadsheet has been uploaded to the [Provider Zone](#) with a list of pharmacies that are offering flu vaccinations in the Bradford district. Each pharmacy has been asked if they can do off-site vaccinations and their response is indicated in column 8, this may however come at an additional cost. You can download the spreadsheet with this [LINK](#).

SPRINGING OUT OF BED IN THE MORNING – EPISODE 1 OF THE NEW SERIES OF THE CARE EXCHANGE PODCAST IS OUT NOW!

We are really pleased to announce that series two of the care exchange has launched!

In the first episode, Ali and Pia are joined by Kate Terroni, CQC Chief Inspector for Adult Social Care, who talks about how she had sleepless nights before her first CQC inspection. She discusses how leadership is a privilege, how happy workers equal high-quality care and the importance of keeping well. Kate also talks about why coproduction is so important to her and how she believes in being ambitious to work towards your vision of how things should be.

You can listen via [our website](#) or download it where you get your podcasts.

CAPACITY TRACKER UPDATE: HOW TO REPORT BED AVAILABILITY

To improve accuracy of reporting Capacity Tracker are planning some development work so that providers can report on both available and vacant beds. Until this has been implemented, they are asking that providers enter the number of available beds in the vacancies box. This means that when a provider has five empty beds but for whatever reason can only fill three of them then the number of 'vacancies' will be three.

If you have any questions about the Capacity Tracker please feel free to contact the Covid-19 Support Team by email

Covid19SupportTeam@Bradford.gov.uk or by phone **01274 431999**

ADVERTISE YOUR VACANCIES!

We are currently planning a significant recruitment campaign within the Bradford District, working in partnership with One Workforce, the colleges and you, the care providers! To support this campaign and enable people to quickly view the jobs currently available in social care, please can you complete the spreadsheet here: [Social Care Vacancies](#). Once you have included your vacancies on the spreadsheet, please return to Covid19SupportTeam@bradford.gov.uk with the subject header 'FAO Ben – Vacancies'. There is no deadline for this, however those that are submitted sooner will be accessible to the Job Coaches at SkillsHouse before the campaign.

DIGITAL SECURITY PROTECTION TOOLKIT – (DSPT)

What is the DSPT?

The Data Security and Protection Toolkit (DSPT) is a useful guide and a free self-assessment tool that can support organisations to keep people's confidential information safe. It can also help to demonstrate that you're meets CQC expectations of good data security practice. The DSPT helps to evidence how you are protecting your organisation from and risk to cyber-attacks or breaches.

Once completed it will allow you to demonstrate to commissioners, GP's, CQC and other NHS services that you are handling information securely. There are some key fundamentals elements that the BCA will promote such as, GDPR compliance, ICO, NHS mail, best practice, preparatory work required and also the DSPT itself.
